

2024 Lesson Fees

Standard lessons

- **\$660/session or \$60/lesson**-(1/2 hour private, 45-minute semiprivate or hour group lessons) Individual lessons may be available for \$70 each if a time slot is available
- A time slot is reserved for the 13-week session. However, you must commit to the entire session to have a time slot reserved for you. If you only plan to lesson for part of the session, please be considerate and let us know.
- You are paying for 11 lessons in each 13-week session. This allows you to cancel up to 2 lessons per session with no penalty. Please try to be courteous and still let your instructor know as soon as possible if you will be missing a lesson.
- If you are unable to pay for the entire session up front, please contact us and we will work out a payment plan for you.
- If **you** cancel 2 or more lessons during a session, there will be **no additional make ups and no refunds**
- If your lesson is cancelled by a **Kelviden Farm instructor** (instructor unavailability, holidays, inclement weather (see below), one of the extra lessons of the session will be used to make it up. If you are already making up two lessons that **you** cancelled, we will attempt to find you an additional make up time, but if we can't find one, you will be credited for the **next session**. You may either deduct the cost of these credited lessons from the fee for the next session, or bank them and take additional lessons during the next session. A refund is available only if you are not returning for the next session.
- If you come to more than 11 lessons in your session, you will be billed for the additional lesson(s) and your instructor will be impressed!
- As a general rule we do not teach when it is below 15 degrees. However, you may cancel a lesson if it is below 20 degrees or there are poor driving conditions with no penalty.
